**Subject:** FW: Call notes from today's D/B call  
**Attachments:** Overview Permit V2.0.txt; September 3rd Call with PT.docx

Thanks Chuck: I have updated my summary of the call so its aligned a bit better with your more detailed notes.

Everyone: let me know if you think my version is adequate for purposes of our AR.

Thanks,

Douglas

Douglas – here are my talking points for today’s discussion of permit changes with PowerTech.

I also added some notes that I made during the Class III, AE, and NHPA/ESA discussion. Use these at your discretion, I did not fully understand some of the issues.
